

Great atmosphere, awesome food, outstanding service

Description

«Great atmosphere, awesome food, outstanding service

This is the nearest [coffee shop](#) to my work and I usually eat here several times a week, but not just because it's close. The [breakfasts](#) unlike some of the nearby shops are freshly cooked to order and are delicious.

from original quote on [TripAdvisor](#)

Lunchtime food is excellent . . . as well as the standard coffee shop fare they always have interesting specials on!
